**CHORUS GIRL'S
"OWN" HAIR IS
COURT EXHIBIT**

All the young girls in Lynn seemed to be present in Lynn District Court today to hear the court read of the assault charges preferred against the recently indicted leader of the North in the economy at the Novelty Theatre, against Nellie Aleck, ticket seller at the Gem Theatre.

Judge Lunnans gazed from his bench at a distracting array of snarply ebullient, topped by a luxuriant spread of hats and waving plumes and punctuated by flashing jewelry and sparkling smiles. It was a perfectly gorgeous session of court from the spectacular standpoint.

* Not the least interesting item in the proceedings was Exhibit A, brought in by Miss Aleck. Exhibit A was a basket of mud.

advised, a man abruptly taken from her head by the point of it was no false hair. She was not a woman of the street, the water only financial street. It was her beauty, her grace, and the love of them, the phrase of the day, that she had to offer.

She admitted that she might have pulled down the hair of Nellie Allen's hair."

But she said, she did so in self-defense; that Nellie had knocked her down in the street, and she had to defend herself. She admitted a damaged eye, closed and swollen.

The friends, in which these damages occurred, were the friends of the two girls, day at a chance meeting of the two girls. Aspersions which Nellie was alleged to have made on the character of the other girl, the immediate cause of the trouble. Viola said Nellie led on by knocking her down. Nellie said she was not guilty of anything, but only with a handbag.

Judge Lammie fined Nellie \$200 for the assault, and the other girl for her complaint.

What Each Day Brings

By ELLA WHEELER WILCOX

What each day brings you is determined by the way you live. You are not a victim of fate, but a creator of your own destiny. Every day is a new opportunity to make the most of the life you have been given.

If this is the first time you have read this column, you are in luck. You are about to begin a new journey of self-discovery.

I have known a woman to dwell with a pessimistic outlook upon her daily existence, and to shut away any suggestion that it could change for the better with a single word.

Use Your Faculties
And when later conditions change through the efforts of education and self-improvement, she will find herself able to change her way of looking at life.

From now on, let each day bring you a new challenge. Let each day be a step towards a better future.

If you should the day's end to your side and never see it, you will become contented and in a measure paralyzed. When, some day, you understand that you have been given the gift of life, you will be able to use your faculties to the fullest.

If you never allowed your mind to wander, but kept it on a permanent alert, it would be a great advantage to you.

Polydore the Palmist

His Adventure With the Masked Robber

By IRVING B. BACON

It is not every day that a man is called upon to perform a feat of heroism. But for Polydore, the palmist, it was a matter of routine.

They were taken for magicians, just like any of the other gypsies who, perhaps, a little more cleverly than you.

But when the band of the three slipped on the sand and fell, they were surprised to find up his hands under the palm of being arrested. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.

He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal. He was a gypsy, but he was not a criminal.
